Wood You Not Know It?

June 2022 Riddle #5: What family of trees often retain their dead leaves after others have dropped them? And what is this phenomenon called? See if you can figure it out & send us your answer to: info@kwoa.net

May 2022 Riddle #4 Answer: Dendrology, related term is dendrochronology. Detail [here](#).

KY Woodland Community Updates

Hunting Leases & Liability-June15 Webinar: National Agricultural Law Center is offering a **free** webinar entitled, "Hunting Leases and Liability: What Should the Landowner and Hunter Look for in a Lease?" on **June 15 at 12 p.m. EDT/11:00 a.m. CDT**. The webinar speaker will be NALC Senior Staff Attorney Rusty Rumley. This webinar will cover issues for landowners to consider, including insurance, the number of people granted access to the property and restrictions on certain hunting or other land-use practices. **Learn more and register for the webinar** at <https://nationalaglawcenter.org/webinars/huntingleaseswebinar/>

KCC...Hosting the Wild & Scenic Film Festival On Tour! June 16th, 7 PM at the Kentucky Theatre, Lexington. More info here: <https://kyconservation.org/wildscenic2022>

Adaptation Planning and Practices for Kentucky Forests The focus is on preparing for climate change. Learn more [here](#)

2022 WOSC, Woodland Owners Short Course: Registration includes all online sessions on July 19, 21, 26, & 28 from 7 to 8:30 pm EDT. In-person Woodland & Wildlife Tour options on August 6 (Pennyryle State Forest) or August 13 (Berea College Forest). Registration links and detailed info will be sent soon as we have the links.

White Oak Initiative: Assess& Conservation Plan is now available at:

<https://www.whiteoakinitiative.org/assessment-conservation-plan> The link is also on our website [here](#).

Abandoned Oil & Gas Wells: If you become aware of an abandoned well, please report it to OrphanWells@ky.gov Note: Kentucky Resources Council, KRC, helped draft and negotiate a bill that allows Kentucky to obtain up to \$104 million in federal aid to plug and reclaim the more than 14,000 known abandoned oil and gas wells in Kentucky

Green and Profitable Wood Products: The Mountain Association sent us this article about an Appalachian woman and her company producing a suite of products at the intersection of humans, insects, the forest, and agriculture. Here's a link to the article: <https://mtassociation.org/energy/tree-of-the-field/>

KWOA in the Media:

- Doug McLaren, KWOA President, was the featured guest on the May 18 edition of *From the Woods Today* webcast; topic: *"Bringing People and Woodland Sustainability Together."* The link is on our website [here](#).
 - Henry Duncan and Jimmie Sizemore, we also featured on the WRUS radio; topic: **American Chestnut Restoration**. That link is on our website [here](#).
