

Friday - Saturday
Sept. 15 – 16, 2023

Masterson
Station Park,
Lexington, KY

Join us September 15 & 16, 2023 at the Kentucky Wood Expo (KWE), held at Masterson Station Park in Lexington, KY. Presented by Kentucky Forest Industries Association (KFIA). More than 100 indoor and outdoor exhibits will display everything from commercial and portable sawmill machinery to materials handling equipment, attracting key representatives from the nation's largest wood products manufacturers.

KWE provides an opportunity for anyone interested in processing wood from the woods to a finished product to gather and celebrate new technology, network, and learn about the industry's latest products. Invest in your future and grow your business!
