KCC's Kentucky Voices Returns - December 13, 7 Pm ET - by Zoom

This event highlights KY creative talent and benefits Kentucky Conservation Committee (KCC). Featuring two great authors and one special surprise.

- Alan Maimon "Twilight in Hazard"
- William Turner "The Harlan Renaissance"

...plus a sneak peak of an upcoming screening about Cherokee State Park! Full Ky Voices Details and Tickets at <https://kyconservation.org/ky-voices-2022>

Introduction to Forest Farming: Almost Everything you Wanted to Know But Were Afraid to Ask

Registration is open now, and scholarships are available for the January 27 and 28 registration costs. Please visit the [OAK Annual Conference website](https://www.oak-ky.org/annual-conference). <https://www.oak-ky.org/annual-conference> for all the details, including the agenda, speakers, and registration information. **Register before December 15 for the best prices!**

USDA Requests Public Input on Implementation of Inflation Reduction Act Funding

... through a Federal Register request for information on implementation of more than \$19 billion provided by the Inflation Reduction Act (IRA). NRCS asks for comments on how to target program benefits, quantify impact, and improve program delivery and outreach, especially for underserved producers. Comments are due **December 22**. Learn more and submit comments:

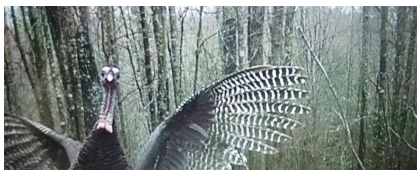

<https://www.nrcs.usda.gov/news/usda-requests-public-input-on-implementation-of-inflation-reduction-act-funding>

KWOA has reposted input from various forestry oriented organizations [here](#).

Wood You Not Know It?

Riddle #10 November 2022: Beginning our journey through the tree canopy! What fraction of all terrestrial creatures live about one hundred feet or more above our heads in the tree canopy? See if you can figure it out & send us your answer to: info@kwoa.net

Answer: Upward of half! Read more [here](#) You can find all our Woodland Riddles Series [here](#).

What Did the Turkey Say?

Something a little different for December- a

picture from Konnie Deaton poses the question: What did the turkey say? Is the turkey saying grace for the abundant habitat woodland owners provide? Or....?

Half a Century Since the Clean Water Act Amendments: The Success Story of Forestry Best Management Practices in the Southeast is a blog post by: Southern Group of State Foresters- <https://southernforests.org/> Read the blog here: <https://southernforests.org/news-events/southern-perspective/half-a-century-since-the-clean-water-act-amendments-the-success-story-of-forestry-best-management-practices-in-the-southeast/>

Tree Reads: 9 Book Recommendations from Southern State Foresters If you're interested in learning more about forestry – whether to enhance your professional knowledge or to simply enjoy learning about trees, forests and the history and culture around forestry in the United States – here are nine book recommendations from the Southern Group of State Foresters: <https://southernforests.org/news-events/southern-perspective/tree-reads-9-must-read-books-for-every-forestry-nerd/> If you read it how about sending us (info@kwoa.net) your review!

KWOA is the regional spotlight with a full-page article written by Karen Marshall, our own **Kentucky Woodlands Newsletter** editor, in the Fourth Quarter 2022 issue of the **National Woodlands Magazine**. See page 54 if you get the magazine as part of a dual membership in KWOA & NWOA.

SAVE THE DATES

KWOA 2023 Annual Meeting
