## KWOA Proudly Supports 2024 Woodland Owners Short Courses (WOSC)

The Kentucky Woodland Owners Short Course (WOSC) is designed to help Kentucky's woodland owners in the care and management of their woodland resources! The 2024 WOSC consists of 5 online sessions followed by a field session (two options to choose from). See full schedule and register at <https://wosc.ca.uky.edu/2024WOSC> Link is also on our website [here](#)

## Woodland Community Updates

- Forest Conservation Easement Program, FCEP, [Update](#): KWOA continues to join over 170 organizations in advocating this program to conserve working forests.
- KFB rolls out [Kentucky Farm Life podcasts](#); subscribe for free [here](#).
- Southern Group of State Foresters [Pine \(P4\) survey](#) for stakeholder input.
- [January 2024 Delivered Log Price Report](#) now available from the Kentucky Division of Forestry.
- Updates are always being added on our KWOA [home page at kwoa.net](http://kwoa.net)

**Interesting Tidbit:** A May 15 Wall Street Journal article reports that companies like Pepsi, Procter & Gamble, and others are the closest they have ever been to making a paper bottle! This reflects the public interest in alternatives to plastic and glass packaging.
